

NPDES Permit Section S5.C.1.d.i - Summary of Watershed Inventory

Receiving Water	Total Watershed area, acres	Area within City of Pacific, acres	Percentage within City of Pacific	Stormwater Management Influence from City of Pacific	Include in S5.C1.d.ii prioritization process?
White River	316,160 (494 sq mi)	Not calculated; area outside the City exceeds 20 square miles	Not calculated; area outside the City exceeds 20 square miles	Low	No, low City influence
Milwaukee Creek	5,270	1,086	21%	Low due to relatively lower percentage of tributary area	Yes
Government Canal	948	231	24%	Likely somewhat higher than White River or Milwaukee Creek because of relatively higher percentage of tributary area	Yes
