 3. Purpose. The purpose of this Agreement is to authorize Officers of participating agencies to provide law enforcement services within the respective territorial jurisdictions of all Cooperating Agencies.
 4. Request for Assistance. In the event of a major law enforcement operation, the first law enforcement resources to be used shall be those of agency of primary jurisdiction. In the event that such resources are inadequate for the agency of primary jurisdiction to safely control the situation, or there is a need for a specialized unit, a request for mutual aid under this plan will be made directly to a Cooperating Agency or Agencies. Such requests for assistance shall, if possible, specify the number of police officers and types of equipment required, and shall further specify where and to whom such Officers are to report and where and whom the equipment should be delivered.
 5. Operational Command. In the event of mobilization under this agreement, the Agency of Primary Jurisdiction shall take charge of the operations utilizing the Incident Command System, unless the Agency of Primary Jurisdiction specifically requests that a different law enforcement agency or unit fulfill this responsibility, or unless the scope of the problem is multi-jurisdictional, in which case the provisions of Statewide Mutual Aid plan become operative. Taking charge of an operation shall include the directing the assignment of all personnel and equipment. The assignment of duties to Officers of assisting agencies shall be made by the supervising Officer of the Agency of Primary Jurisdiction unless that responsibility is delegated to a different law enforcement agency.

8. Training. The Administrative Board may determine what areas of law enforcement training, both general and specialized, may most efficiently be conducted in a cooperative effort among the Agencies and the method by which it is best accomplished.

The cost of training programs shall be borne among the Agencies in the ratio of the number of Officers from each Agency benefiting from such program, except in situations where the Administrative Board shall determine the costs of the particular training program to be more equitably allocated on a different basis.

9. Grants. The Administrative Board may authorize the application for a procurement of various grant funds that the Administrative Board deems helpful and/or necessary to the purpose of this Agreement.

10. Equipment. The Cooperating Agencies shall routinely update a "Agency Resource List" which describes each Agency's specific equipment that could be used to assist another Agency. The owner Agency of such equipment shall maintain ownership in all situations and shall determine use and costs for said equipment when requested by another Agency.

It is the intent of the Cooperating Agencies to make available specialized experts for the initial phase of an investigation if so requested by another Agency. Nothing herein shall be interpreted to:
