

INTERLOCAL AGREEMENT BETWEEN  
THE CITY OF PACIFIC AND CITY OF SUMNER  
FOR THE PROVISION OF SANITARY SEWER SERVICES

THIS INTERLOCAL AGREEMENT (“Agreement”) is made and entered into this 10th day of June, 2019, by and between the City of Sumner, a Washington municipal corporation (“Sumner”) and the City of Pacific, a Washington municipal corporation (“Pacific”), (individually a “Party” and collectively the “Parties”) for the purposes set forth herein.

**RECITALS**

WHEREAS, Sumner is a non-charter optional municipal code city incorporated under the laws of the State of Washington, with authority to enact laws and enter into agreements to promote the health, safety, and welfare of its citizens and for other lawful purposes; and

WHEREAS, Pacific is a non-charter optional municipal code city incorporated under the laws of the State of Washington, with authority to enact laws and enter into agreements to promote the health, safety, and welfare of its citizens and for other lawful purposes; and

WHEREAS, the Manke Timber Company, Inc., a Washington corporation, owns real property located at 13702 Stewart Rd., within the City limits of Sumner, in the State of Washington, identified as Pierce County Tax Parcel No. 4495400412, and as legally described as set forth on Exhibit 1, attached hereto and incorporated by reference (“Manke Property”); and

WHEREAS, the Manke Property is currently served by private septic and water utility services via Sumner’s Public Works Department; and

WHEREAS, Sumner’s Public Works Department provides sanitary sewer service to residents and ratepayers within Sumner’s corporate limits, but the nearest connection to Sumner’s sanitary sewer system available to the Manke Property is located approximately 1,000 feet to the east and would require an extension under (or over) the White River, including critical area(s) and shoreline; and

WHEREAS, Pacific is currently engaged in the design and acquisition phase for a road improvement project to a portion of Stewart Road (“Pacific’s Project”), which project footprint abuts the Manke Property to the north, and the acquisition of property necessary for right of way purposes attendant to Pacific’s Project will impact Manke’s existing private septic; and

WHEREAS, Pacific’s Public Works Department provides sanitary sewer services to residents and ratepayers within Pacific’s corporate limits, and is willing to, and capable of providing the Manke Property with sanitary sewer service via an existing main within Pacific’s sanitary sewerage system that is located within Stewart Road directly adjacent to the Manke Property; and

WHEREAS, based on the potential construction impacts to critical areas and the substantial costs associated with a proposed connection between the Manke Property and Sumner's sanitary sewer system, it is economically and technologically inefficient for Sumner to provide sanitary sewer service to the Manke Property; and

WHEREAS, both Sumner and Pacific both strive to provide the most efficient means of providing sanitary sewer service to their residents and ratepayers; and

WHEREAS, pursuant to RCW 35.92.170 and 35.67.310, a code city may permit a connection with its water or sanitary sewer services beyond its corporate limits on terms and conditions as may be prescribed by ordinance, and evidenced by an agreement between the city and owner; and

WHEREAS, the owner of the Manke Property has stated an interest in connecting to the Pacific sanitary sewer system; and

WHEREAS, the Parties agree that Pacific would be best able to provide sanitary sewer service for the Manke Property; and

WHEREAS, the Parties are authorized to enter into this Agreement pursuant to and in accordance with the State Interlocal Cooperation Act, Chapter 39.34 RCW;

NOW THEREFORE, in consideration of the terms and condition herein, the Parties agree as follows:
